

**Wednesday, November 20<sup>th</sup>, at 6:30pm a public meeting will be held at Kingston City Hall to discuss a variety of projects related to the waterfront.**

Jim MacBroom and Jim Murac, Tom Sheil and Mike Doherty from the engineering firm Milone and MacBroom, Inc. and Brad Giresi from Tim Haahs and Associates, Inc. who are contracted by the City for a Stormwater Management Study, East Strand Streetscape Design and Construction Project, and for a Parking Garage Feasibility Study for the Rondout will be presenting. Milone and MacBroom will also be giving a brief presentation of our Tidal Watershed Management Project work to date.

Other items to be discussed include the Hudson Landing Promenade Site Plans, Waste Water Treatment Plant Façade improvements, Generic Environmental Impact Study for 70 acres of Waterfront, and potential Transportation Enhancements such as the Kingston Point Rail Trail will also be touched on at the meeting.
