**Subject:** [EXTERNAL EMAIL] Please vote NO on ceasefire resolution: Protect our community

We represent your constituents, Americans across this great nation, and worldwide citizens who are asking you to vote NO on the ceasefire resolution.

Please read this document in its entirety.

The defined role of your council is to protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyghurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemeni Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the above mentioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

However, according to International Law and ethics the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. Israel's commitment to fighting ethically outshines every military in the world [11].

These ceasefire resolutions are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" "We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

## THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, do NOT call for an Israeli ceasefire, which will allow Hamas to retrench and re-strengthen. Rather, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity itself will judge you as a hero.

Sincerely,

Kathy Afshani

The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, do NOT call for an Israeli ceasefire, which will allow Hamas to retrench and re-strengthen. Rather, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity itself will judge you as a hero.

Sincerely,

**Subject:** [EXTERNAL EMAIL] Please vote NO on ceasefire resolution: Protect our community

We represent your constituents, Americans across this great nation, and worldwide citizens who are asking you to vote NO on the ceasefire resolution.

Please read this document in its entirety.

The defined role of your council is to protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyghurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the above mentioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

However, according to International Law and ethics the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. Israel's commitment to fighting ethically outshines every military in the world [11].

These ceasefire resolutions are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" "We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

#### THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

**Subject:** [EXTERNAL EMAIL] Please vote NO on ceasefire resolution: Protect our community

We represent your constituents, Americans across this great nation, and worldwide citizens who are asking you to vote NO on the ceasefire resolution.

Please read this document in its entirety.

The defined role of your council is to protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyghurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemeni Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the above mentioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

However, according to International Law and ethics the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. Israel's commitment to fighting ethically outshines every military in the world [11].

These ceasefire resolutions are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: “From the river to the sea;” “We don't want a two-state;” “Long live October 7th;” “October 7th again;” “Long live the intifada!”

In fact, Article 7 of the Hamas Charter states: “The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, ‘O Muslim, there is a Jew hiding behind me, come and kill him’” [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, “Death to America!” [17]

## THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, do NOT call for an Israeli ceasefire, which will allow Hamas to retrench and re-strengthen. Rather, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity itself will judge you as a hero.

Sincerely,

“Those who do not learn history are doomed to repeat it” – George Santayana.

Just listen to the chants: "From the river to the sea;" "We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

#### THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, do NOT call for an Israeli ceasefire, which will allow Hamas to retrench and re-strengthen. Rather, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity itself will judge you as a hero.

Sincerely,

Cyrus Mizrahi

We represent your constituents, Americans across this great nation, and worldwide citizens who are asking you to vote NO on the ceasefire resolution.

Please read this document in its entirety.

The defined role of your council is to protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyghurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemeni Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the above mentioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

However, according to International Law and ethics the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. Israel's commitment to fighting ethically outshines every military in the world [11].

These ceasefire resolutions are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" "We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. Israel's commitment to fighting ethically outshines every military in the world [11].

These ceasefire resolutions are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" "We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

#### THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, do NOT call for an Israeli ceasefire, which will allow Hamas to retrench and re-strengthen. Rather, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity itself will judge you as a hero.

Sincerely,

"Those who do not learn history are doomed to repeat it" – George Santayana.

**Subject:** [EXTERNAL EMAIL] Please vote NO on ceasefire resolution: Protect our community

We represent your constituents, Americans across this great nation, and worldwide citizens who are asking you to vote NO on the ceasefire resolution.

Please read this document in its entirety.

The defined role of your council is to protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyghurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemeni Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the above mentioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

However, according to International Law and ethics the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. Israel's commitment to fighting ethically outshines every military in the world [11].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the above mentioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

However, according to International Law and ethics the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. Israel's commitment to fighting ethically outshines every military in the world [11].

These ceasefire resolutions are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" "We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

#### THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, do NOT call for an Israeli ceasefire, which will allow Hamas to retrench and re-strengthen. Rather, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity itself will judge you as a hero.

Sincerely,

"Those who do not learn history are doomed to repeat it" – George Santayana.

We represent your constituents, Americans across this great nation, and worldwide citizens who are asking you to vote NO on the ceasefire resolution.

The defined role of your council is to protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyghurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemeni Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyghurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the above mentioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

However, according to International Law and ethics the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. Israel's commitment to fighting ethically outshines every military in the world [11].

These ceasefire resolutions are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: “From the river to the sea;” “We don't want a two-state;” “Long live October 7th;” “October 7th again;” “Long live the intifada!”

In fact, Article 7 of the Hamas Charter states: “The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, ‘O Muslim, there is a Jew hiding behind me, come and kill him’” [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, “Death to America!” [17]

## THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, do NOT call for an Israeli ceasefire, which will allow Hamas to retrench and re-strengthen. Rather, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity itself will judge you as a hero.

Sincerely,

Renee Moadel MD

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the above mentioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

However, according to International Law and ethics the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. Israel's commitment to fighting ethically outshines every military in the world [11].

These ceasefire resolutions are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" "We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

#### THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, do NOT call for an Israeli ceasefire, which will allow Hamas to retrench and re-strengthen. Rather, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity itself will judge you as a hero.

Sincerely,

Shirin Baker

Please read this document in its entirety.

The defined role of your council is to protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyghurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

The defined role of your council is to protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyghurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemeni Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the above mentioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

However, according to International Law and ethics the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. Israel's commitment to fighting ethically outshines every military in the world [11].

These ceasefire resolutions are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: “From the river to the sea;” “We don't want a two-state;” “Long live October 7th;” “October 7th again;” “Long live the intifada!”

In fact, Article 7 of the Hamas Charter states: “The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, ‘O Muslim, there is a Jew hiding behind me, come and kill him’” [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, “Death to America!” [17]

## THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, do NOT call for an Israeli ceasefire, which will allow Hamas to retrench and re-strengthen. Rather, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity itself will judge you as a hero.

Sincerely,

**Subject:** [EXTERNAL EMAIL] Please vote NO on ceasefire resolution: Protect our community

We represent your constituents, Americans across this great nation, and worldwide citizens who are asking you to vote NO on the ceasefire resolution.

Please read this document in its entirety.

The defined role of your council is to protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

- (1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].
- (2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyghurs in mass detention camps where they are subject to forced labor and sterilization [2].
- (3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].
- (4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].
- (5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].
- (6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the above mentioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

However, according to International Law and ethics the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. Israel's commitment to fighting ethically outshines every military in the world [11].

These ceasefire resolutions are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" "We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

#### THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, do NOT call for an Israeli ceasefire, which will allow Hamas to retrench and re-strengthen. Rather, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity itself will judge you as a hero.

Sincerely,

David Danialian

**Subject:** [EXTERNAL EMAIL] Please vote NO on ceasefire resolution: Protect our community

We represent your constituents, Americans across this great nation, and worldwide citizens who are asking you to vote NO on the ceasefire resolution.

Please read this document in its entirety.

The defined role of your council is to protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyghurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemeni Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the above mentioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

However, according to International Law and ethics the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. Israel's commitment to fighting ethically outshines every military in the world [11].

These ceasefire resolutions are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" "We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

#### THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, do NOT call for an Israeli ceasefire, which will allow Hamas to retrench and re-strengthen. Rather, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity itself will judge you as a hero.

Sincerely,

"Those who do not learn history are doomed to repeat it" – George Santayana.

Just listen to the chants: "From the river to the sea;" "We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

In fact, Article 7 of the Hamas Charter states: "The Day of Judgment will not come about until Muslims fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out, 'O Muslim, there is a Jew hiding behind me, come and kill him'" [16].

This hate has no boundaries. If you think they stop at targeting Jews, listen carefully to the rest of their chants like, "Death to America!" [17]

#### THE GREAT MISCONCEPTION

It is a misconception that the Nazis were solely responsible for the murder of six million Jews. The Nazis had collaborators – willing executioners - men and women in communities, towns, cities, and across all of Europe who believed the propaganda and justified slaughtering their neighbors. [18-19].

Like them, you are being given a grave responsibility to choose noisy hate and lies or clear truth and morality.

If you want this war to end, do NOT call for an Israeli ceasefire, which will allow Hamas to retrench and re-strengthen. Rather, call for Hamas to surrender and release all the hostages.

By keeping yourself and your council on the right side of history, your Creator and humanity itself will judge you as a hero.

Sincerely,  
Michelle

**Subject:** [EXTERNAL EMAIL] Please vote NO on ceasefire resolution: Protect our community

We represent your constituents, Americans across this great nation, and worldwide citizens who are asking you to vote NO on the ceasefire resolution.

Please read this document in its entirety.

The defined role of your council is to protect your city and not engage in international affairs.

Have you wondered why this is the only issue that ignites such passion when numerous other global crises demand attention? Are you addressing the following humanitarian disasters with the same urgency?

(1) Rohingya Crisis in Myanmar (2017-Present): Myanmar Buddhist military massacred, raped and displaced over 700,000 Rohingya Muslims. [1].

(2) Uyghur Detention Camps in China (Ongoing): China has put 1 million Muslim Uyghurs in mass detention camps where they are subject to forced labor and sterilization [2].

(3) Yemini Civil War (Ongoing): Muslim civil war. More than four million displaced. Attacks on civilians, hunger, disease. [3].

(4) Syrian Civil War (Ongoing): Muslim civil war. Widespread atrocities, chemical attacks on civilians; shooting protesters. 470,000 dead, 1 million injured; 13.1 million need humanitarian aid [4].

(5) Sudanese enslavement (Ongoing): Arab Muslims have slaughtered 2.5 million black Sudanese Christians and enslaved 200,000. Jihadists have kidnapped many black Christian girls [5].

(6) Gender apartheid: Hundreds of millions of women in Muslim countries are second class citizens subject to beatings, sexual violence, honor killings, and genital mutilation [6].

These crises describe the offensive targeting of innocents perpetrated by Buddhists, the Chinese, and Muslims. In response to these crises, it would be absurd to justify harassment, segregation, and violence towards Buddhist, Chinese, or Muslim Americans on U.S. campuses, K-12 schools, social media, restaurants, subways, and streets.

Unlike the above mentioned crises, the Israel-Hamas conflict is a DEFENSIVE war that Hamas thrust on Israel on October 7th – targeting and murdering 1,200 civilians and taking hundreds of hostages (American, Israeli, and Foreign Nationals) after firing over 30,000 rockets into Israel for decades [7].

Notably, this was after Israel moved out of Gaza in 2005 – as one of its numerous gestures of peace that have been rejected and met with increased violence [8].

The innocent lives lost in this war is tragic. However, under International Law and ethics, Israel has a duty and right to protect its civilians from these attacks by defeating Hamas and rescuing the hostages [9].

Hamas ADMITS to burrowing itself within the civilian Palestinian population to increase civilian deaths in order to create world protests and delegitimize Israel [10].

However, according to International Law and ethics the responsibility for ALL lives lost falls squarely on Hamas' shoulders. Does this council realize that when America fights against terrorists, they accidentally kill 4 to 60 civilians per terrorist eliminated? Israel's ratio is 1:1. Israel's commitment to fighting ethically outshines every military in the world [11].

These ceasefire resolutions are part of a global agenda – to delegitimize and destroy the one Jewish State and justify harassment, segregation, and violence towards Jews on U.S. campuses, subway cars, restaurants, and the world [12-15].

Just listen to the chants: "From the river to the sea;" "We don't want a two-state;" "Long live October 7th;" "October 7th again;" "Long live the intifada!"

I'm sorry to hear that you guys are experiencing this trouble. I believe that we already have a landlord permission on file and being that this is just a renewal application, I believe the building department will be able to process it. If we get a letter from the owner stating they have revoked that permission that will be a different story and we may have to look at the code with the common council but let's try this approach first?

Hi everyone:

We hope you're all having a great week so far. We're reaching out to let you know about an issue that's come up this year while putting together the permit application for outdoor seating, and to see if there's some way the City Council, Mayor's Office, or any other interested entity can be of assistance -- or at the very least, to keep you informed.

Since 2020, when the city began allowing bars and restaurants in Kingston to utilize outdoor space--specifically the "parklets" set up in parking spaces--we've taken advantage of the opportunity at both of our business: Rough Draft Bar & Books at 82 John St., and Kingston Bread + Bar, at 43 N. Front St. Our landlord at 82 John, Gerald Celente, has signed the permit application each time we've applied, and has never mentioned any issues with the setup in the past.

This year, when we submitted our application for him to sign, he told us he'd have his lawyer get in touch with us instead. The result was a demand from him for several lease modifications in exchange for his signature, a 20%+ rent increase among them. We've spent almost three months working with a lawyer of our own, attempting to negotiate with Gerald in hopes that we could come to a compromise or mutual agreement of sorts, but with no resolution.

The parklet has become an indispensable part of our business: it provides a place in the warmer months for those who are still not comfortable dining indoors; it extends our seating and attracts guests to our shop; and it has become a regular meeting place and work space for countless people, including a number of city and county employees. On any Spring, Summer, or Fall Friday evening over the past three years, our intersection has become a gathering place for eating, drinking, listening to music, and socializing; on Saturdays, we have attracted literally hundreds of people into the shop, in no small part due to the very visible seating set up outside; and even on weekdays, we have often had the parklet filled with people in the middle of blazing hot days.

We believe Gerald has taken this opportunity to use the leverage of the permit application in an attempt to gain significantly higher rent and other lease alterations (all of which adversely affect us). We're reaching out to see if there is some way that the city could help us work around this requirement -- either this year or looking ahead to future years. While the current city code does require a landlord's signature, perhaps it's worth considering an additional clause to the effect of "such permission shall not be unreasonably withheld or conditioned." While landlords certainly have a stake in what goes on in and around their buildings, we also know that the parking spaces are property of the city and shouldn't necessarily be held hostage by property owners due to greed or personal grudges.

We have the following clause in our current lease: "Landlord hereby agrees that wherever Landlord's consent or approval is required hereunder, such consent or approval shall not be unreasonably withheld, delayed or conditioned." We are working with a lawyer in an attempt to bring this into the argument, but obviously the landlord doesn't see the outdoor seating as a necessary part of doing business.

In closing, if there is any way at all forward to help us restore our outdoor seating, that would not explicitly require our landlord's signature, we would love to discuss potential options. It's clear at this point that Gerald has no interest in helping us; in fact, he's made it clear with several recent actions that he's intent on making life very difficult for us over the remaining three years of our lease. He is currently demanding that we even remove the skinny benches we put out each morning on the sidewalk against the building (in lieu of a parklet), even though they are well within the City Code requirements of four feet of sidewalk clearance.

Thank you for your time and consideration.

All best,  
Amanda and Anthony
