The Board discussed Solar Electric One Job Permit Applications.

The Board was reminded to review One Job Permit and Master Applications for changes and upgrades.

The Board was advised of the difficulties electricians were having obtaining the CE200 Certificates this year.

The Board was advised of the One Job Permits issued to Ulster County in addition to them being issued their Master Licenses.

The Board discussed One Job Permits 2018-15 and 2018-16 that were CANCELLED. The owner of the property was the initial "general contractor" who later hired others to GC the work. The Building Department was involved and agreed to cancel these permits as no work had started. As agreed, no refunds were issued.

Motion to adjourn at 4:09 P.M. by Noble.
