

NOTICE OF VACANCY

Title: Wastewater Treatment Plant Mechanic II

Salary: \$55,196 + benefits including, major medical, dental and vision insurance, paid time off, paid holidays, enrollment in the New York State Retirement System. Longevity pay after completing 5 years of service. Uniforms provided.

Classification: Non-competitive

The City is seeking a full-time Wastewater Treatment Plant Mechanic II at the Wastewater Treatment Plant facility located at 91-129 E Strand in Kingston, New York.

This is semi-skilled and skilled work involving the responsibility for maintenance and repair work in the wastewater treatment plant, collection lines, pumping facilities, and/or combined sewer overflow facilities of a wastewater collection and treatment system. Employees may be assigned to either a wastewater treatment plant or collection system or both with reassignments made by the Chief/Managing Operator or Senior Wastewater Treatment Plant Operator. Employees assigned to a wastewater treatment facility may be required to assist in the operation and maintenance of all equipment and processes in the facility. Employees assigned to a collection system may be required to provide routine operations, maintenance, and housekeeping updates to the WWTP Operators and/or WWTP Mechanics. Further the employees in this class will assist the Wastewater Treatment Plant Operators and/or employees of higher rank in the maintenance and repair of related equipment. The work is performed under the direct supervision of a Wastewater Treatment Plant Operator or an employee of higher rank, with detailed instructions given on new assignments. Employees in this class may be required to work rotating shifts and be on call. Employees may be required to operate motor equipment and provide manual labor as required within the wastewater treatment facility and/or collection system/pump stations and CSOs. Does related work, as required.

REQUIRED KNOWLEDGES, SKILLS AND ABILITIES:

Working knowledge of common practices, tools, terminology, and safety precautions in the operation and maintenance of treatment plants; Ability to follow oral and written directions; Good hand and eye coordination; Mechanical aptitude; Manual dexterity; Reliability; Physical condition commensurate with the demands of the position.

MINIMUM QUALIFICATIONS:

Graduation from high school or possession of a high school equivalency diploma or graduation from an approved trade school and one (1) year of experience as a semi-skilled Laborer or work related to maintenance. Must possess a valid New York State driver's license in good standing and maintain it throughout employment.

Applications:

Applications will be accepted at the Kingston Civil Service Office located at 420 Broadway, Kingston, New York 12401. Applications can be mailed to that address, dropped off in person or emailed to rkimble@kingston-ny.gov. Please be sure to include the title "Wastewater Treatment Plant Mechanic II" in the subject line of the email. This posting will remain up until vacancies are filled. Applications may be obtained in person at the Civil Service Office in City Hall, Ground Floor, 420 Broadway, Kingston, NY 12401 or on our website at www.kingston-ny.gov under the Employment tab.
