1. Why can't the location, dimensions, or other size factors be reduced to minimize the variance(s) requested? _____

Dear Applicant:

According to the information you have provided to the City of Kingston Building Department, you need to request a Use / Area Variance for your property. The property is located in a _____ zone. Before completing your application, we suggest you review the other materials in this packet.

Based on the type of Variance you are requesting; you are obligated to demonstrate that the property meets specific requirements. These requirements are listed on the attached sheet referring to Use Variance criteria and Area Variance criteria. You should address all of these items when completing your application and be ready to discuss them at the Public Hearing. Supply the information necessary to provide documentation.

If you are applying for a Use Variance, please pay special attention to the requirement to show that each and every use that is allowed in the zone would result in an Unnecessary Hardship.

We recommend that you review the portion of the Zoning Code for the Zone which applies to the property. We would advise that you address all of the uses in your application and be ready to discuss them at the Public Hearing and that you provide adequate documentation for your assertions.

Thank you,

City of Kingston
Zoning Board of Appeals

USE VARIANCE CRITERIA

No such use variance shall be granted by a Board of Appeals without a showing by the applicant that the applicable Zoning regulations and restrictions have caused unnecessary hardship, the applicant shall demonstrate to the Board of Appeals that for each and every permitted use under the Zoning regulations for the particular district where the property is located:

1. The applicant cannot realize a reasonable return, provided that lack of return is substantial as demonstrated by competent financial evidence.
2. that the alleged hardship relating to the property in question is unique and does not apply to a substantial portion of the district or neighborhood.
3. that the requested use variance, if granted, will not alter the essential character of the neighborhood; and
4. that the alleged hardship has not been self-created.

The Zoning Board of Appeals, in the granting of Use Variances, shall grant the minimum variance that it shall deem necessary and adequate to address the unnecessary hardship proved by the applicant, and at the same time preserve and protect the character of the neighborhood and the health, safety and welfare of the community.

Please sign below acknowledging that you are aware of the use variances criteria.
