**Work Group Information**

This work group will consist of 2 representatives from Uptown, 2 from Midtown and 2 from Downtown, as well as 2 alderman, the City's Comptroller and the Mayor and/or his designee. Applicants who live, work, own a business or own property in the City of Kingston are strongly encouraged to apply.

The work group will be tasked with discussing the short term and long term options for improving the availability of parking, evaluating the use and efficiency of current parking infrastructure, researching and reviewing options to improve and maintain off-street lots and other parking infrastructure without adding a burden to taxpayers, and offering recommendations to be considered by the Mayor and Common Council with respect to proposed changes to the City's parking management system.
